Safety First

The YMCA does not carry accident insurance for members. Staff members are trained in cardiopulmonary resuscitation (CPR). YMCA procedures require that all injuries be reported to a staff person immediately so that proper measures can be initiated. In the event of an alarm (fire or emergency), leave by the nearest emergency exit immediately.

The YMCA has installed a safety camera system to protect our children, members, staff and facility.

Vandalism Costs You

This is your YMCA. If you see anyone vandalizing the YMCA facility or equipment, report it to a YMCA staff person immediately. Money spent making repairs from acts of vandalism could and should be used to make facility improvements and equipment purchases instead. The acts of a few cost every member in lost opportunities for improvements. Help us keep your YMCA attractive. Also, if you suspect anyone of thievery in the locker rooms or elsewhere, report it to a staff person immediately. People caught vandalizing or stealing in the YMCA will be prosecuted to the fullest extent under the law. Again, this is your YMCA. Members and staff working together can keep our YMCA free from vandalism and theft.
