WELCOME TO KIDS CLUB! It is our top priority to provide a safe and healthy environment for our afterschool participants. We strive to provide a warm and nurturing atmosphere, allowing kids to have fun, make friends, challenge themselves and experience growth. The Y's Core Values of Caring, Honesty, Respect and Responsibility serve as the cornerstone to our afterschool enrichment program.

LEADERSHIP: A staff to child ratio of one to ten is maintained to create a safe environment where children have the opportunity to learn, grow, and thrive. All of our Kids Club staff must pass a background check and have prior experience working with children. With the help of experience, staff meetings and professional development trainings, the Kids Club staff are able to provide a warm, accepting, well-supervised environment.

PROGRAM: Kids Club strives to keep youth active, busy and engaged during the critical hours after school. Through healthy living, character development, and academic support, the Y's afterschool program staff nurtures the potential of youth throughout the school year. Our Kids Club program is for children enrolled in the Ashland School District, in grades kindergarten through fifth. Children will have opportunities to do homework, participate in indoor and outdoor play, swim at the Y, create art, experience STEM, and have free choice with small and large group activities. We will do 30 minutes of quiet activity time every day. Your child will be provided with an afterschool snack. Toys and electronics that are not provided by the Y are not allowed at Kids Club.

PROGRAM DAYS & HOURS: *Kids Club operates on the Ashland School District's calendar of normal school days from dismissal time to 6:00 p.* Our all-day childcare option known as Play Days, are available during select school breaks, conference and teacher in-service days.
