# Camp & Conference Center Facilities

Our gorgeous Lodge overlooks the lake, seats up to 150 people, and includes two cozy lounges with fireplaces. This space works well for both meals and large group meetings.

Rent our state of the art commercial kitchen and prepare your own meals or contract with a third party caterer for your event. YMCA catering may be seasonally available.

Take advantage of our many outdoor gathering spaces including our amphitheater, covered pavilion, campfire circle, activity field, waterfront and docks.

House your guests in one of our ten bunk cabins or four cabinettes. Each bunk cabin sleeps up to 18 on bunks and includes a private shower and toilets. Each cabinette sleeps up to 6 and includes a private restroom and kitchenette.

Two shower houses provide fourteen additional restrooms and private showers for your overnight or day use group. Each shower house includes one gender neutral/family assist restroom/shower.
